Thank you for your recent letter telling me about your present assignment and career plans.

Your program of private study certainly sounds ambitious and designed to advance your official career planning. It was thoughtful of you to write me, and I hope you will continue to keep me informed.

I recall with pleasure visiting the Ring Dining-In on 1 June 1959. What I said then still stands. We must be second to none, and it is up to people like you to keep us out in front.

Sincerely,

C. P. Cabell  
General, USAF
